

SEBA

HYDROMETRIE

SEBA-Flowmeter Type KLL-M1

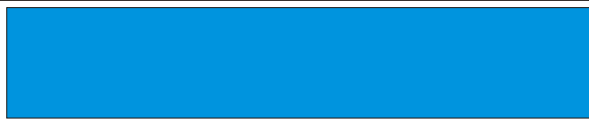

for vertical measuring of flow velocity in observation tubes from $\varnothing 3''$

QZV We are certificated
ISO 9001
certificate no. 01110505
Quality Is Our Standard

M1

signal counter Z6

signal counter Z6

Groundwater

Flowmeter for groundwater wells

type M1-KLL
for measuring only
the water flow in wells

type M1-KLL-Q
for measuring the

- water level
- water temperature
- water flow
